

July 4th Celebration - Lions Park, Zionsville

This year's traditional 4th of July Celebration looks to be larger than ever before, with fireworks, live concert, and family fun activities for all ages.

The fireworks won't start until dusk, around 10 p.m., but many people come early to get good seats and enjoy great food. The Lions club has added new activities starting at 5 p.m. this year to make the time waiting for the fireworks more fun for families.

To entertain the kids, the Lions Club will have a Kids Corner with moonwalks, face painting, clowns, mascots and more. In addition we are planning traditional activities with Boys and Girls Club of Zionsville like watermelon eating, three legged races, water balloon toss contests, and much more. Prizes for the winners.

The Marlins will play in the gazebo at Lions Park starting at 6 p.m. until dusk. They will entertain the crowds with music from all decades and an awesome patriotic tribute.

Both the newly crowned Miss Indiana and Miss Indiana Outstanding Teen will perform their talent and have an autograph signing.

The usual attendance is 10,000 to 14,000 for this free community event. Up close parking can be had for a small donation of \$5.00 – which goes to maintenance of Lions Park.

The Fireworks have always been big, and we expect that they will be bigger than ever before. Last year we heard the words breath taking, huge, and spectacular! We expect to build on last year and deliver an innovative and unforgettable show again this year.

Great food, Great times, and BIG fireworks – come celebrate America's Birthday in Lions Park with family and friends.

Lions Park is located just off St rd 334 on your way into downtown Zionsville. 115 S Elm Street. Visit our website for more details at www.zionsvillelions.com.

Rain date set for Saturday July 10, 2010.
